

## US Air vs. Road Total Fatalities by year

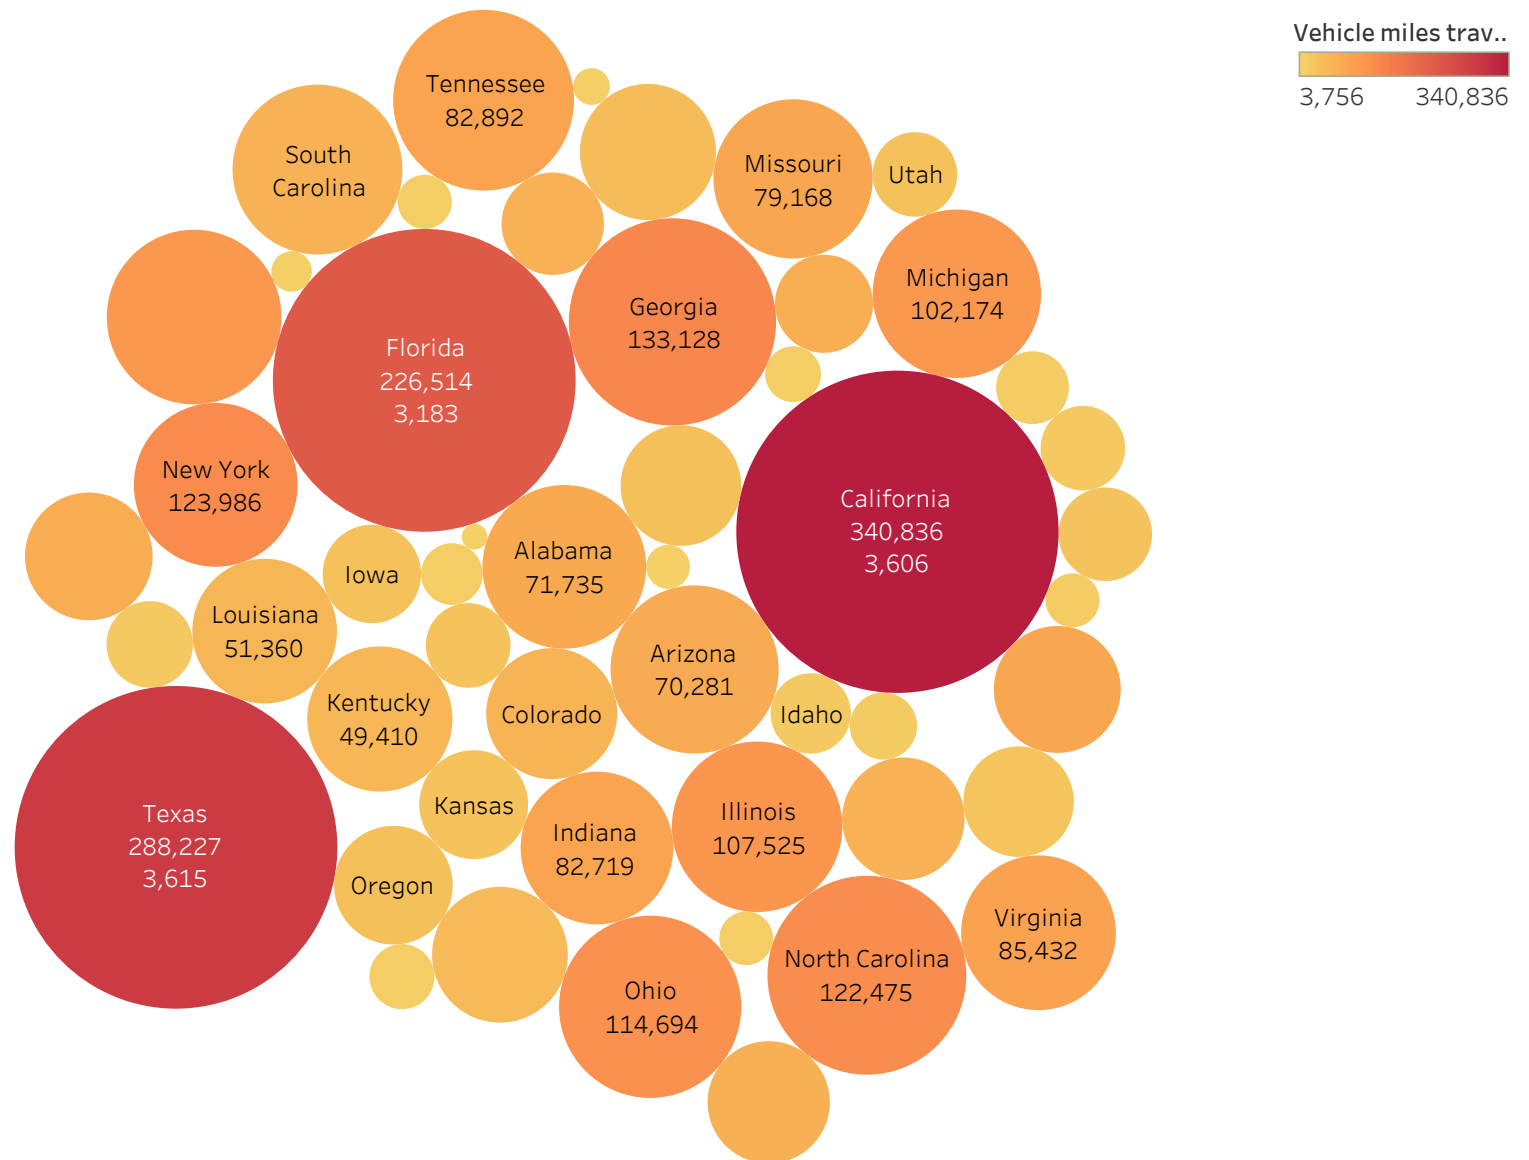

The plots of sum of Total fatalities and sum of Fatalities (Road\_Fatalities\_and\_Fatality\_Ra (Road\_Fatalities\_and\_Fatality\_Rates)) for Year.

## US Air vs. Road Fatalities / 100M miles

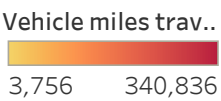

The trends of sum of Fatality Rate per 100 Million VMT and sum of Fatalities per 100 million aircraft-miles (Sheet1 (US\_Airlines\_fatalities)) for Year.

## 2019 - US Total Deaths by State based on Vehicle Miles Traveled

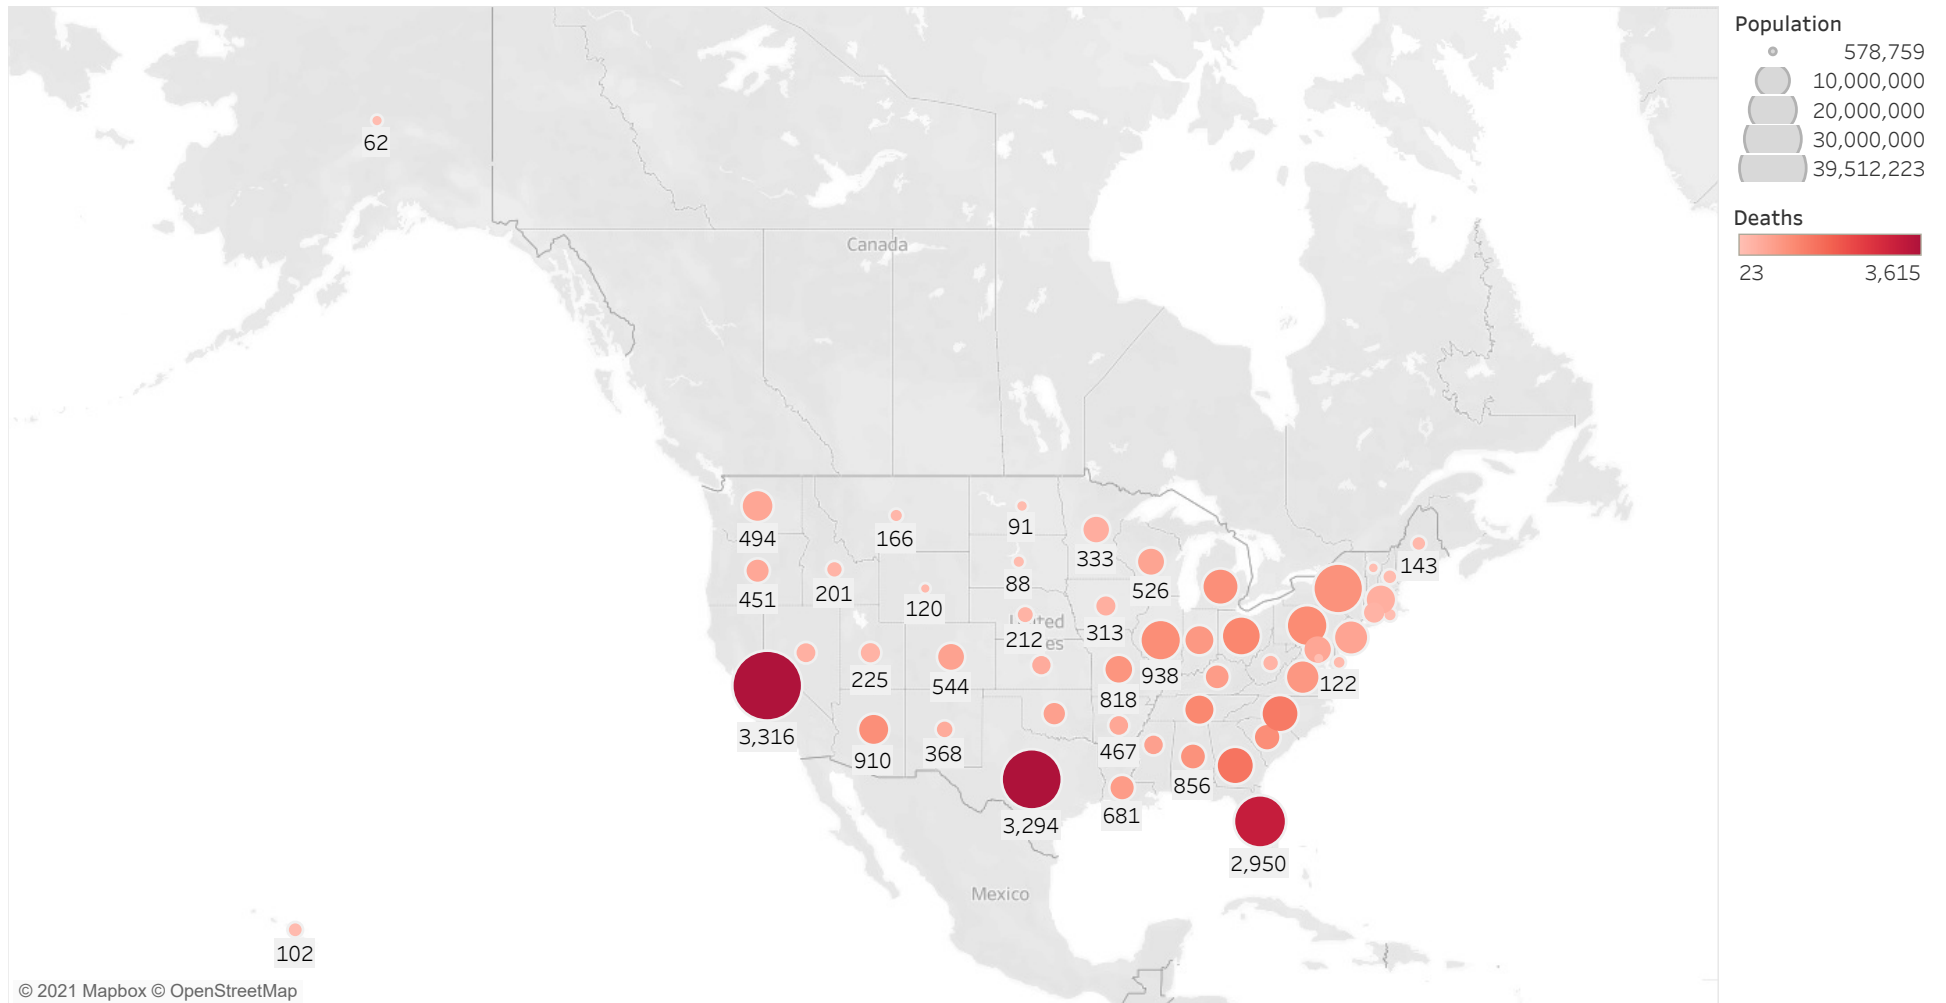

State, sum of Vehicle miles traveled (millions) and sum of Deaths. Color shows sum of Vehicle miles traveled (millions). Size shows sum of Deaths.  
The marks are labeled by State, sum of Vehicle miles traveled (millions) and sum of Deaths.

# 2019 - US Total Deaths by State based on Vehicle Miles Traveled

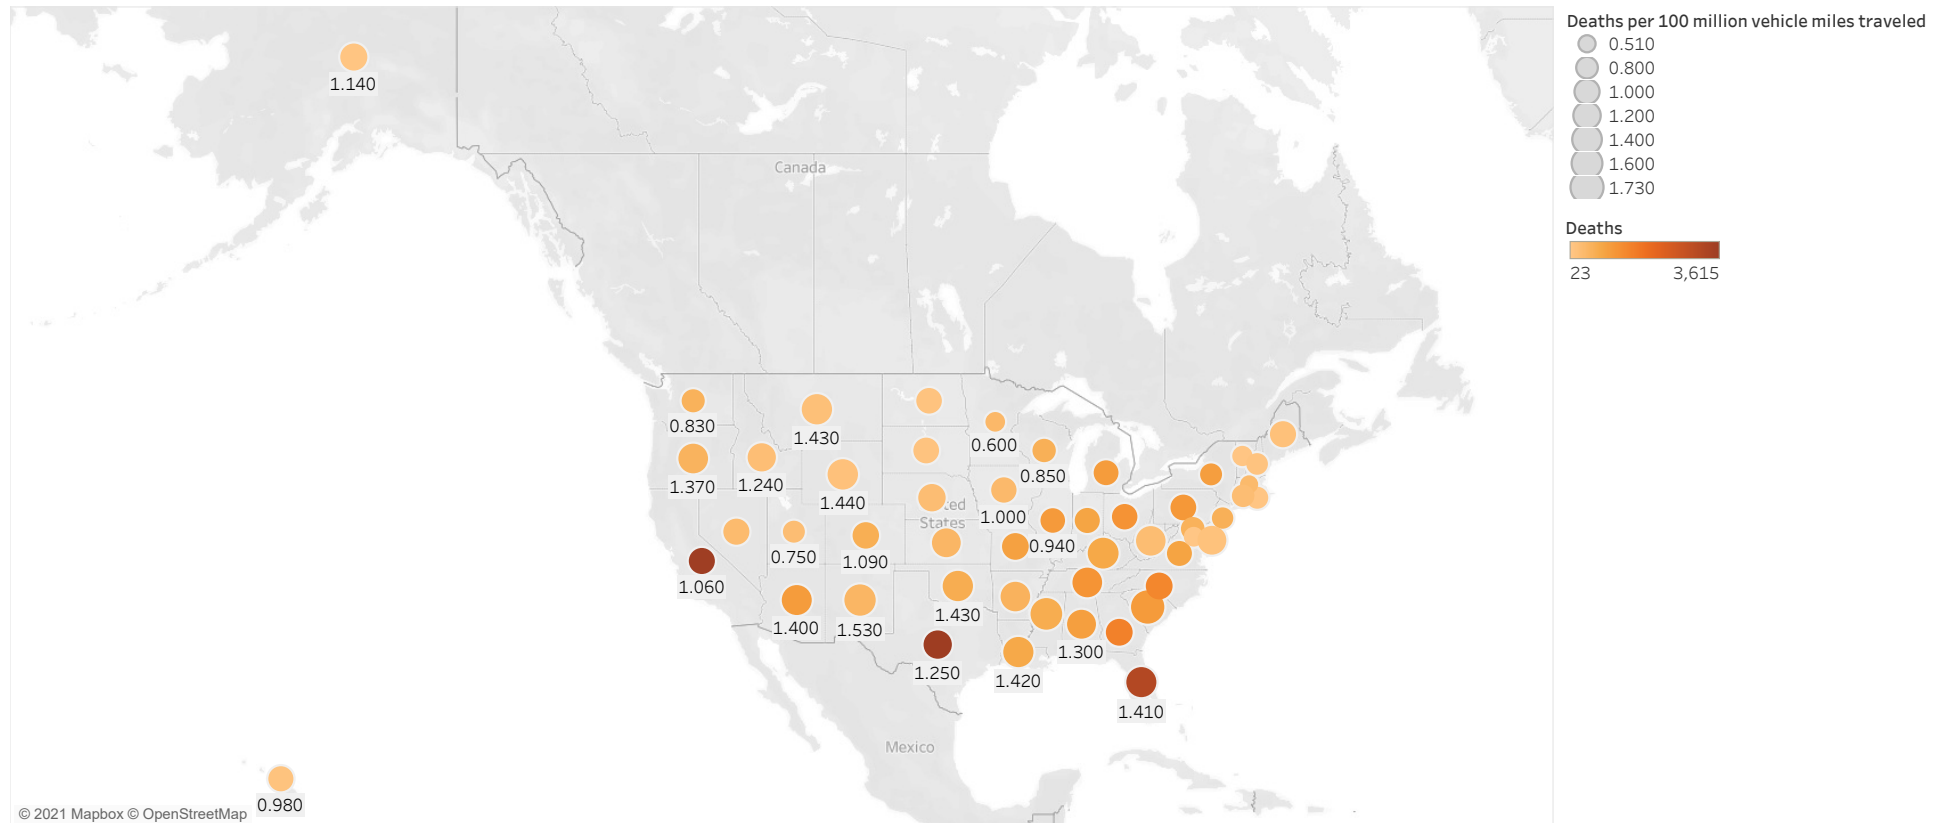

State, sum of Vehicle miles traveled (millions) and sum of Deaths. Color shows sum of Vehicle miles traveled (millions). Size shows sum of Deaths.  
The marks are labeled by State, sum of Vehicle miles traveled (millions) and sum of Deaths.

## 2019 - US Total Deaths by State based on Fatal Car Crashes

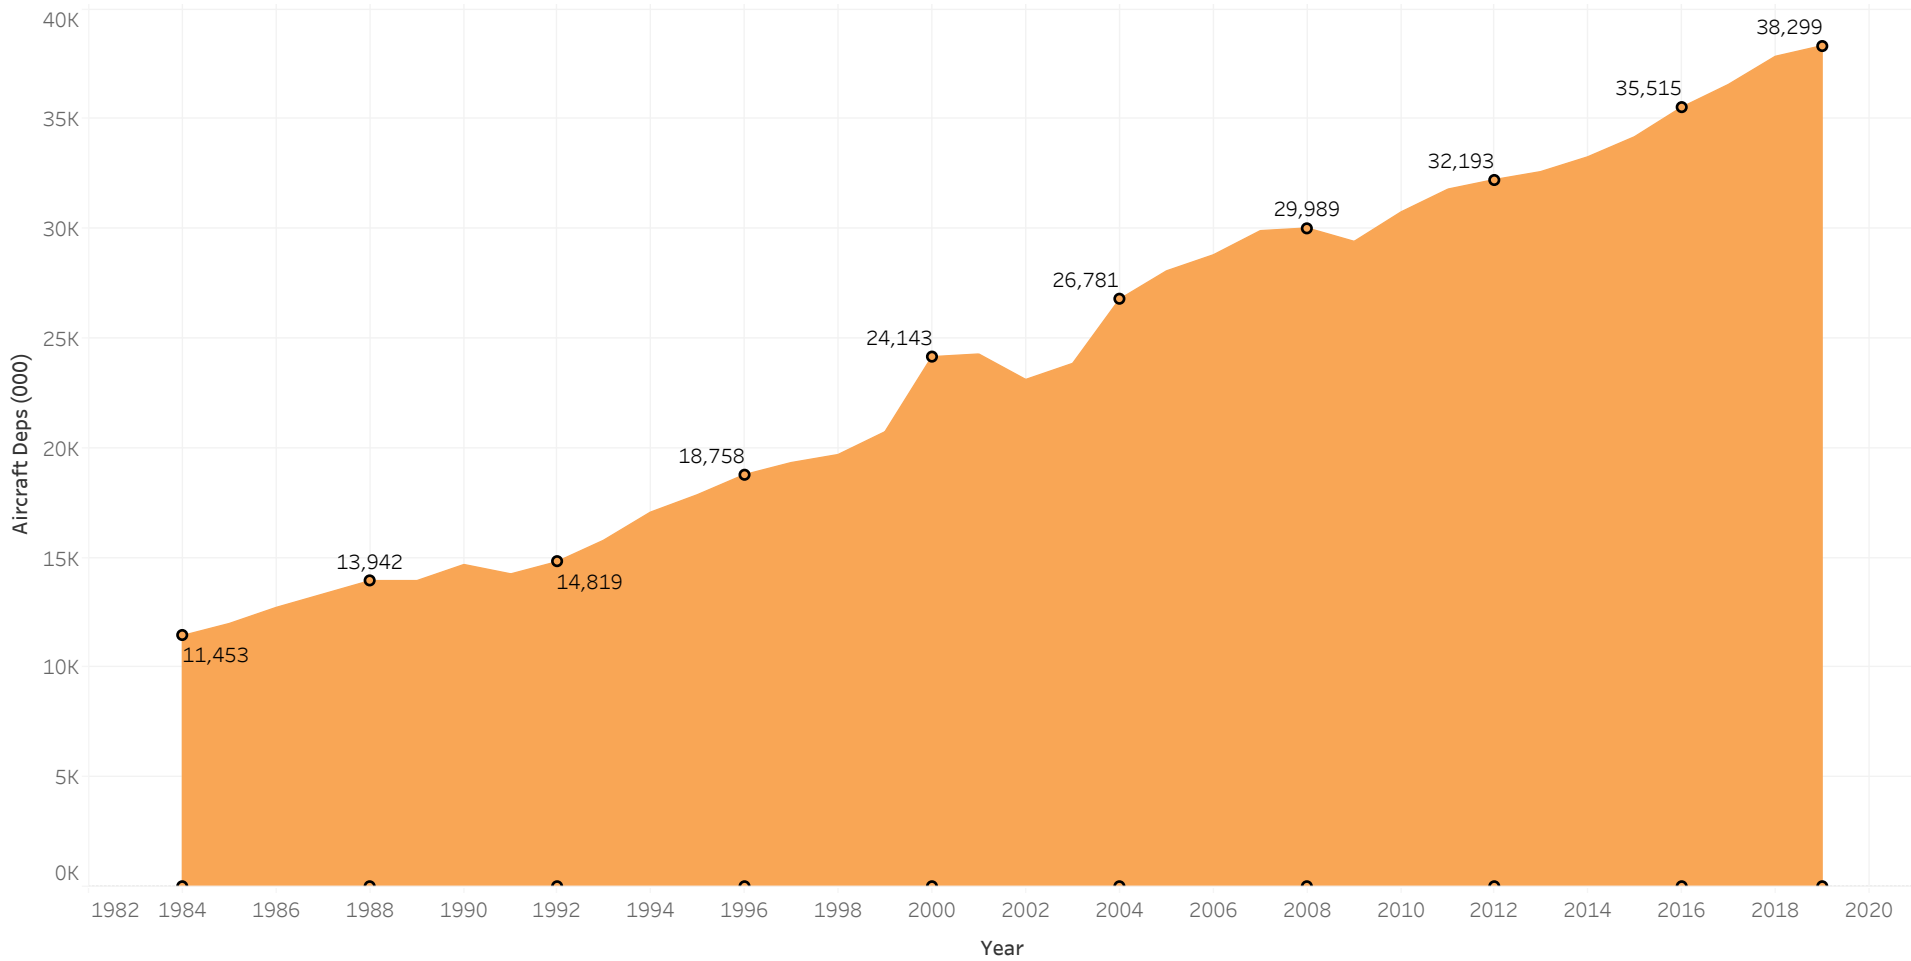

Map based on Longitude (generated) and Latitude (generated). Color shows sum of Deaths. Size shows sum of Population. The marks are labeled by sum of Fatal crashes. Details are shown for State.

## 2019 - US Total Deaths by State based on per 100 M vehicle miles

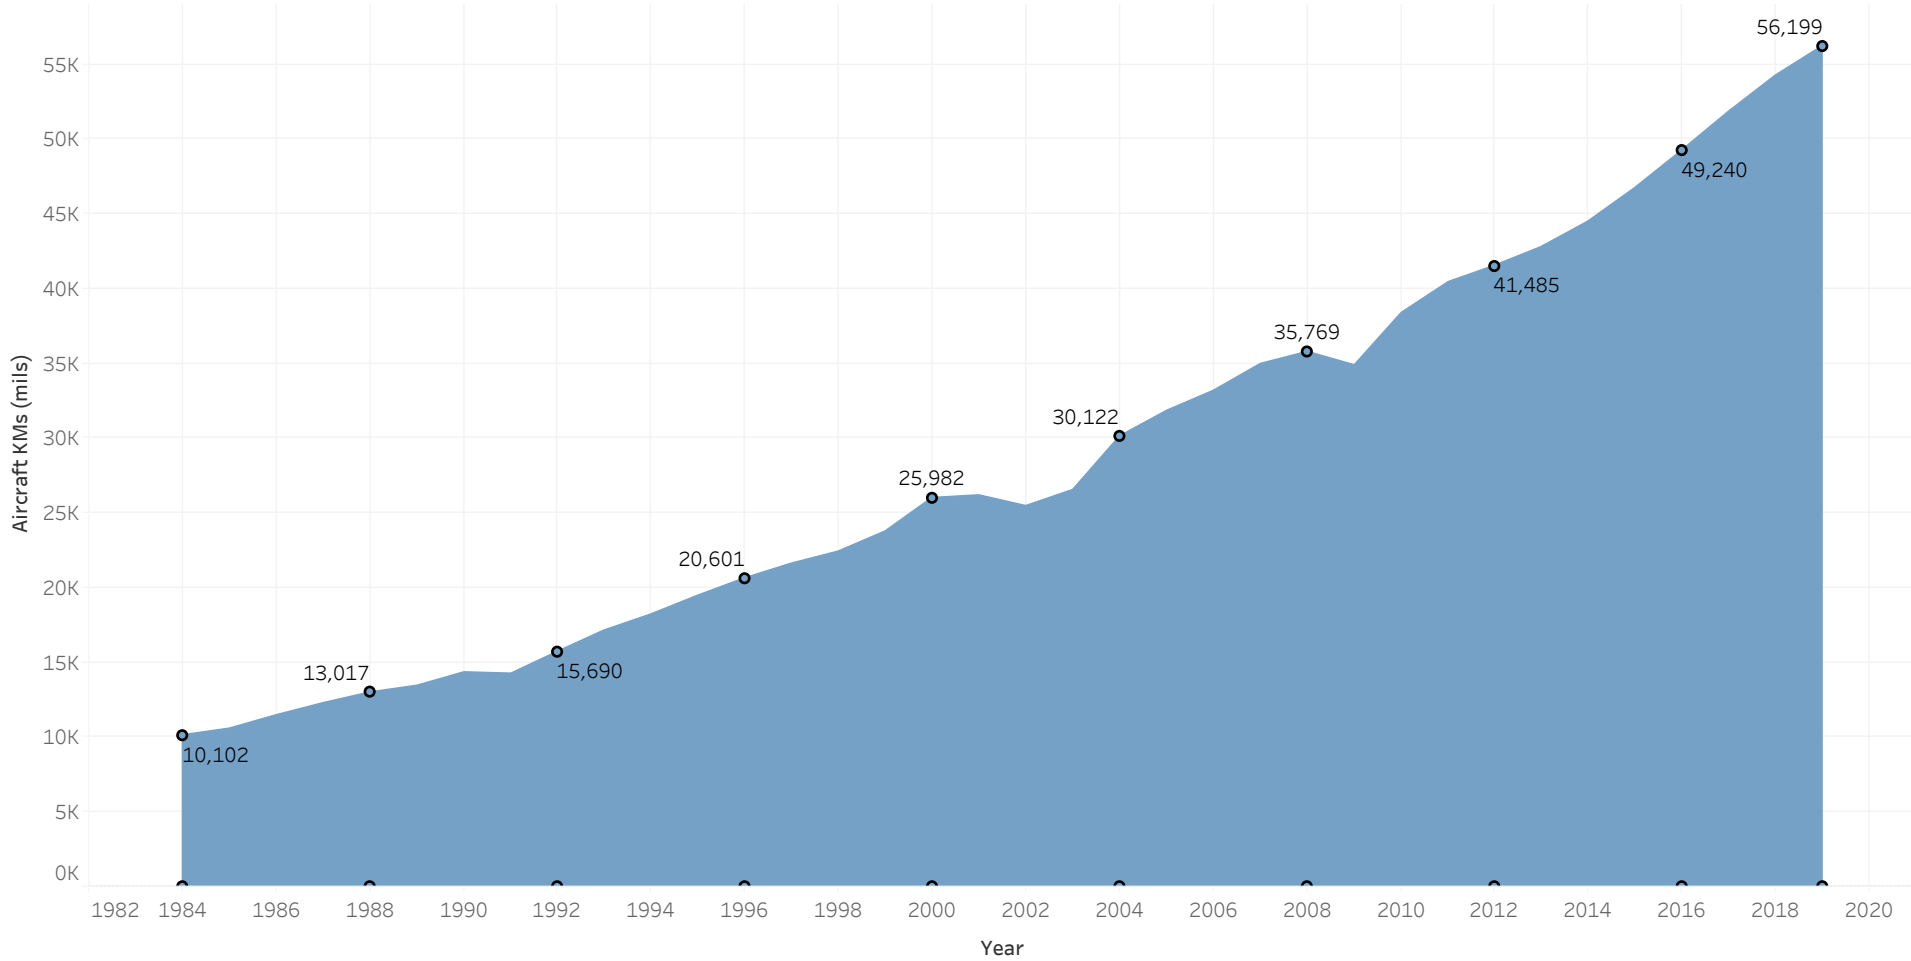

Map based on Longitude (generated) and Latitude (generated). Color shows sum of Deaths. Size shows sum of Deaths per 100 million vehicle miles traveled. The marks are labeled by sum of Deaths per 100 million vehicle miles traveled. Details are shown for State.

World Airlines Traffic - Departures

The plot of sum of Aircraft Deps (000) for Year.

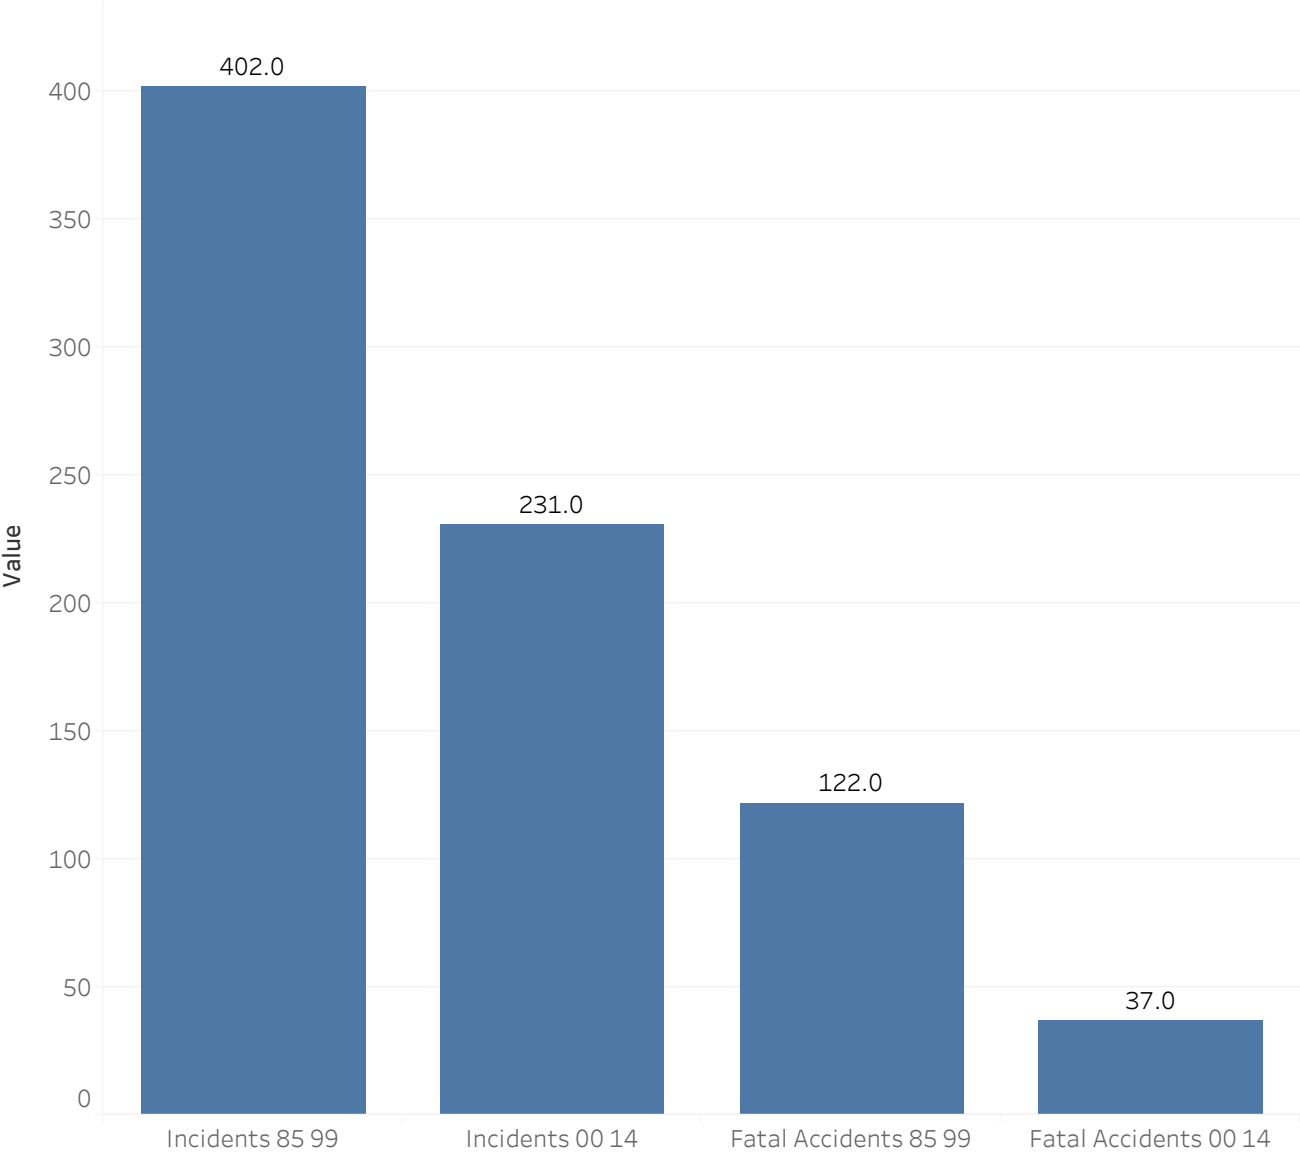

World Airlines Traffic - Aircraft KMs travel (in millions)

The plot of sum of Aircraft KMs (mils) for Year.

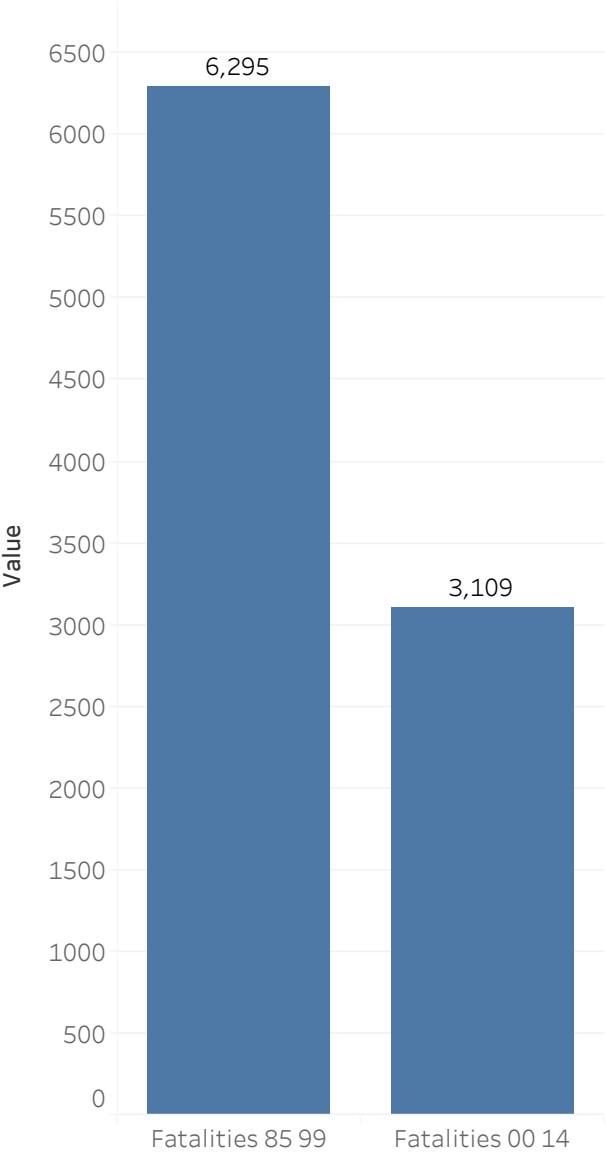

# World Airline Incidents

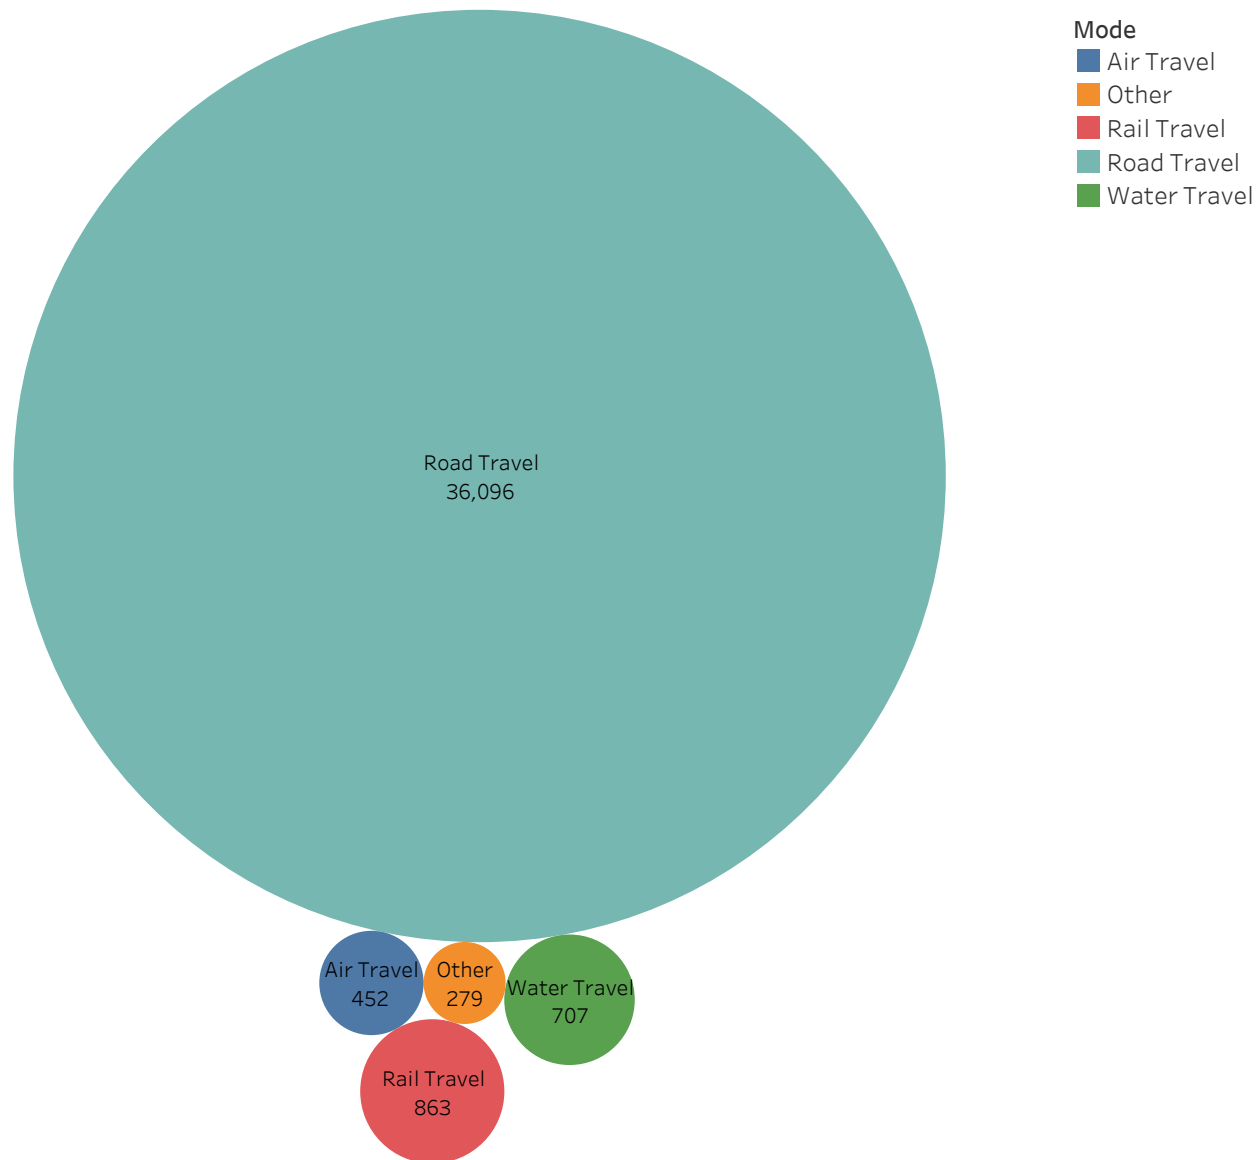

Fatal Accidents 00 14, Fatal Accidents 85 99, Incidents 00 14 and Incidents 85 99.

# World Airline Fatalities

Fatalities 85 99 and Fatalities 00 14.

## US 2019 - Fatalities by Mode of Transport

Mode and sum of Fatalities. Color shows details about Mode. Size shows sum of Fatalities. The marks are labeled by Mode and sum of Fatalities.
